Annual E-Governance Report

1. Students Administration and Support

Website is used for students' admission to be conducted online. Students fill up their admission form online and accordingly admission process held. All the details of the students' fee collection are maintained in Tally ERP software. The students General Register, Transfer Certificate, Leaving Certificate and Bonafide Certificate continued to be generated with **"pair"** A libsyn Copany LMS.

Like every year, even during this AY, the students' feedback on curriculum delivery and the student satisfaction survey is conducted online by Google forms. The IQAC then initiates the analysis of feedback and prepares the reports on the same.

The College continues to use WhatsApp groups for communicating with students and parents.

The students are continued to be provided with the online scholarship facility through:

i. SC/ST scholarship provided through Government website.

ii. National Scholarship Portal — this is for Minority students.

Library Automation

During this AY, the Library Advisory Committee suggested the Library Green Stone (Open source) digital library to be implemented for the students and faculty to refer. This platform strengthens the IT use in library.

Staff Attendance

The staff attendance is continued to be taken with biometric mechanism when they come to the campus and off campus will the recorded through google form daily work done report.

Tally ERP

College continues to use Tally ERP 9 for Accounts and Finance purposes.

ESARAL

College continues to use E — saral for TDS
