BAN ON USE OF PLASTIC

Date: 01-12-2018

Place: Tarbanahalli, Bengaluru

Objective:

1. To create awareness in village on the ban of plastic to protect environment
2. To increase the public understanding and help the community perceptions on the dangers of plastic pollution

NSS unit of Mallige College of Pharmacy has organized Ban on the use of Plastics in nearby village (Tarbanahalli) on 01-12-2018. NSS volunteers visited the village and created awareness on the ban of plastic usage and created awareness by going to homes on the dangers of usage of plastics and also how it impacts the environment. Single-use plastic items such as plastic bottles, bags, spoons, straws and cups are banned completely, and awareness is created among staff and students through orientation and display boards in the premises. To restrict the use of plastic, measures have been taken to replace plastic teacups and glasses with steel glasses in the canteen. The staff and students are informed to use steel or copper water bottles instead of plastic bottles. Even NSS volunteers cleaned the village by removing plastics available in the streets of the village to create awareness. Around 30 NSS Volunteers have took part in the green initiative beyond the campus in nearby village. The Head of the Institution appreciated the efforts of NSS team of members.

Learning outcomes:

1. To keep the village clean and neat out of plastics
2. Assisting in preserving and protecting the environment
3. Students were able to understand the importance of green initiatives requirements outside the campus.

WORLD WATER DAY

Date: 23-03-2019

Place: Kumbarahalli village, Bengaluru

Objective: 1. To create awareness in village on the importance of world water day
2. To create awareness on the safe use of fresh water
3. To increase the public understanding in saving underground water and effective utilization of water in day-to-day life

NSS Unit of Mallige college of Pharmacy has organized World Water Day Kumbarahalli village on 23rd March 2019. This is organized to bring attention on the value of freshwater and to encourage the sustainable use of freshwater resources. The day was observed by the resolution of the United Nations General Assembly to be observed as an annual event in 1993. This day is a chance to learn more about problems related to water and encouraged the villagers on the importance of saving water for the future, and to take action to make a difference. A fundamental building block of life is water. Quenching thirst or maintaining health is more than just essential; water is crucial for job creation and for fostering economic, social, and human growth. NSS Volunteers created awareness in the nearby village i.e. Kumbarahalli on the preservation of water. Door to door activity has been conducted in the village. Procession (Jatra) has also been conducted on this occasion to commemorate the Day. NSS volunteers have actively participated in this program.

Learning outcome:

1. To create awareness among public on the safe use of fresh water
2. To increase the public participation and understanding on the preservation of underground water for future

WORLD ENVIRONMENT DAY

Date: 05-06-2019

Place: Tarbanahalli and Silvepura

“The best that we can do for our coming generations is that we save the Environment for them.”

World Environment Day has been raising awareness, supporting action, and driving changes for the environment. The NSS volunteers of Mallige College of Pharmacy, Bengaluru have celebrated World Environment Day on 5-6-2019. On 5th June 2019, NSS Volunteers have visited Tarbanahalli and Silvepura village. They planted few saplings as a mark of the celebration. Tarbanahalli Primary School children have taken active part in the plantation. Student volunteers have created awareness among public on the World environments Day and how to protect environment. Around twenty students have participated in this programme.

“On this World Environment Day, Let us promise to make our planet greener and healthier.”

Learning Outcome:

1. To understand the importance of the celebration of the Day
2. Students will be able to plant saplings and feeding water to protect environment and contribute to conserve natural greenery.
3. Villagers were able to understand the importance of protecting their environment where they reside.

Visit to Orphanage and Old Age Home Aasare in Abubakar Masjid Road, Ashwath Nagar, near Manyata Tech Park, Bangalore 560045

Date of Visit: 08-03-2019

Organized by: NSS team, Mallige College of Pharmacy

A group of students from Mallige College of Pharmacy, accompanied by faculty Mrs. Mamatha M K, embarked on a meaningful field visit to an orphanage and old age home (Aasare) located in Abubakar Masjid Road, Ashwath Nagar, near Manyata Tech Park, Bangalore 560045. The objective of this visit was to extend support and bring joy to the residents of these institutions by donating eatables and electronic goods that would enhance their living facilities.

Objectives of the Field Visit:

1. **To Extend Support and Donations:** The primary objective of the field visit was to offer support to the residents of the orphanage and old age home by donating essential items such as eatables and electronic goods. This act of giving aimed to bring smiles to their faces and improve their quality of life.
2. **To Create Awareness and Sensitization:** The visit was also intended to sensitize the students about the needs and challenges faced by orphaned children and elderly individuals living in homes. By interacting with the residents and understanding their stories, the students were encouraged to develop empathy and compassion towards vulnerable sections of society.

Learning Outcomes: The field visit provided valuable learning experiences for the students, contributing to their personal and professional growth:

1. **Social Responsibility and Empathy:** Through this visit, the students learned the significance of social responsibility and the impact of small acts of kindness on the lives of others. Witnessing the residents' living conditions and hearing their stories fostered empathy and a sense of responsibility towards the less fortunate.
2. **Interpersonal Skills and Communication:** Interacting with the residents required the students to communicate effectively and sensitively. This experience enhanced their interpersonal skills and ability to connect with people from different backgrounds.
3. **Community Engagement and Teamwork:** The field visit encouraged students to work as a team in planning and organizing the donation drive. It emphasized the importance of collective effort in making a positive impact on the community.
4. **Understanding Diverse Needs:** The visit exposed the students to the diverse needs and challenges faced by orphaned children and elderly individuals. This exposure broadened their understanding of social issues and the importance of tailored support.

5. **Gratitude and Reflection:** Engaging with the residents provided a unique perspective on life, gratitude, and resilience. Students were encouraged to reflect on their privileges and express gratitude for the blessings in their lives.

Conclusion: The field visit to the orphanage and old age home near Manyata Tech Park was a humbling and enriching experience for the students of Mallige College of Pharmacy. By extending support and donations, the students brightened the lives of the residents and contributed to their well-being. The visit also imparted valuable lessons about social responsibility, empathy, and community engagement, leaving a lasting impact on the students' personal and professional development. The students returned with a sense of fulfilment, knowing that their small gestures made a significant difference in the lives of those they visited.
