Industries - Institutions Collaboration

Purpose:

- To improve the status of the Institution and to interlink with the other industries or institutions for better function.
- The MOU provides documentation that demonstrates the organizations have consulted and coordinated the responsibilities of their grant activities for some specific periods followed by subsequent renewal.
- Both the parties should be mentioned clearly the causes and requirements, to not have any undisclosed intentions that may lead to a future dispute.

Advantages:

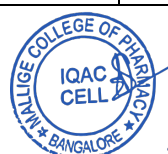

- It allows both the parties to clearly state their goals and objectives, in writing.
- There is less room for uncertainty, preventing future unexpected disputes.
- The MoU serves as a blueprint for the contract that both the parties may or may not wish to draw up in the future.

PRINCIPAL,
Mallige College of Pharmacy
Bangalore-560 090

3.5.1. Number of functional MoUs/linkages with institutions/ industries in India and abroad for internship, on-the-job training, project work, student / faculty exchange and

Sl. No.	Name of the MoU / linkage	Name of the institution / industry with whom the MoU / linkage is made, with contact details	Year of signing MoU / linkage	Purpose of the MoU/Linkage (internship, on-the-job training, project work, student / faculty exchange and collaborative research)	Duration of MoU / linkage	List the actual activities under each MOU/ Linkage and web-links year-wise	Link to the relevant document
