## ICT TOOLS TRAINING PROGRAMME

The ICT are effective facilities in enhancing and supporting sustainable teaching, learning and collaborative partnerships. Accompanied with effective training and building the capacity of teachers, they can enhance the competence and confidence of teachers in implementing ICT tools in their professional roles and development. The goal of these trainings was to enable teachers to be sufficiently prepared, confident and competent in making full use of the benefits of these wonderful facilities in and out of the classroom for technology integration to be successful, teachers need to make informed choices relating to pedagogical approach, students' needs, and learning objectives.

Objectives of the training programme.

- To enable teachers become competent in innovatively employing the tools of technology to supplement their traditional teaching methods and thereby achieve enhanced student learning.
- To enhance ICT literacy and confidence among teachers.
- To provide an overview and understanding of educational policies explicitly dealing with ICT integration.
- To give an insight on a series of ICT tools that implicitly support creative learning and innovative teaching; this would improve participants' awareness of the potential of ICT to enhance teaching and learning across the curriculum.
- To enhance participants' information literacy, Internet research skills and presentation skills.

The ICT tools training programme was conducted by IQAC cell coordinator Mamatha Gowda, Assoc. Professor, Mallige College of Pharmacy on 21-10-2022. Dr. Rajendra S V. Vice Principal, Mallige college of Pharmacy welcomed Mr. Supriya Mana, resource person and ICT tool trainer from Krupanidhi College of Pharmacy, Bengaluru. The trainer gave an informative talk with a hand on training to all the faculty members. The trainer was felicitated by Dr. Shivakumar Swamy, the Principal, Mallige College of Pharmacy. About 40 faculty members have benefited with the extensive training programme. Feedback was taken at the end. The session was concluded with a vote of thanks.
